The Tornado Shelters listed below will be available in Marshall County on Sunday April 12, 2020 if needed due to a tornado watch, please note the shelter rules.

PLEASE BRING YOUR OWN PROTECTIVE MASK, GLOVES AND HAND SANITIZER WHEN GOING TO SHELTER.

USE OF TORNADO SHELTERS: The decision to seek shelter in a community storm shelter is certainly made more difficult by the consideration for COVID-19, and each individual will need to make an educated decision on where and when to shelter from a tornado. At this time, the Alabama Department of Public Health (ADPH) is recommending that your first priority should be to protect yourself from a potential tornado. If a warning is issued for your area, you are more likely to be affected by the tornado than the virus.

SHELTER RULES: No Pets, No Weapons of any Kind, No Alcohol / Illegal Drugs, No Smoking in Shelters, and No Profanity. Only one small bag will be allowed by each occupant. Each person in shelter is expected to conduct themselves in a manner that shouldn’t interfere or cause problems for other occupants. Only service animals for the disabled allowed in shelter, no household pets allowed in shelter for reasons of safety and liability.
